INDEPENDENT AUDITORS' REPORT

To the Members of **Veracity Financial Services Private Limited**,

1. Opinion:

We have audited the accompanying financial statements of Veracity Financial Services Private Limited ("the company"), which comprises the Balance Sheet as at 31 March 2022 and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit/loss for the year ended on that date.

2. Basis for Opinion:

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India

A-110, Oxford Avenue, Opp C U Shah College, Ashram Road, Ahmedabad-380014Voice: + 91 79 40324877M: +91 9228720536E : rohan@rthakkar.com

(ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

3. Emphasis of Matter

Attention is invited to Note No 15 wherein the amount of Rs 40.23 Lakhs has been shown as Bad debt recovered. The said amount was written off in earlier years as the same was being pertaining to M/s Infrastructure Leasing & Financial Services Limited (Hereinafter referred to as ILFS) and at that time of said crises, the management was of the view that the same is not recoverable. in the year 2019-20. Subsequently, the ILFS is under Corporate Insolvency Resolution Process and as per the report updated till 31.03.2022, the claim of the company has been admitted to the tune of Rs 42.94 lakhs. However, its ultimate realization of amount will depend upon the order passed by Hon National Company Law Tribunal and that same has not been passed till 31.03.2022.

4 Information other than the Financial Statements and Auditors Report thereon.

The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act 2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or

A-110, Oxford Avenue, Opp C U Shah College, Ashram Road, Ahmedabad-380014Voice: + 91 79 40324877M: +91 9228720536E : rohan@rthakkar.com

otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report, we are required to report that fact. We have nothing to report in this regard.

5. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

A-110, Oxford Avenue, Opp C U Shah College, Ashram Road, Ahmedabad-380014Voice: + 91 79 40324877M: +91 9228720536E : rohan@rthakkar.com

6. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control systems.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt

A-110, Oxford Avenue, Opp C U Shah College, Ashram Road, Ahmedabad-380014Voice: + 91 79 40324877M: +91 9228720536E : rohan@rthakkar.com

on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

v) Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

VERACITY FINANCIAL SERVICES PRIVATE LIMITED

Note A: SIGNIFICANT ACCOUNTING POLICIES

1. **Basis of Accounting**

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Companies Act, 2013 to the extend notified. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The company is a small and medium sized company (SMC) as defined in the general instruction in respect of accounting standards prescribed under Companies (Accounting Standards) Rules, 2006. Accordingly, the company complies the accounting standards as applicable to SMC.

2. <u>Use of Estimates</u>

The preparation of the financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provision for income tax, useful lives of tangible assets.

3. <u>Revenue Recognition</u>

i. Interest Income

Interest income is recognized as it accrues on a time proportion basis taking into account the amount outstanding and the rate applicable on it.

ii. Advisory Fees

Fees for advisory services is accounted in accordance with the terms and contracts into with respective clients / advisors.

iii. Income from Trading in securities and Derivatives

With respect to trading in derivatives, on settlement of transaction, the gains or loss are separately recognized in profit and loss account.

iv. Brokerage Income:

Brokerage Income is recognized net of tax on the date of transaction

4. <u>Fixed Assets</u>

- Fixed Assets are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.
- Gains or losses arising on retirement or disposal of fixed assets are recognized in the Statement of Profit and Loss.
- The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

5. <u>Depreciation</u>

- The intangible assets are amortized based on the estimated useful of intangible asset at Written Down Value Method.
 - a. Software :

10 years

- Depreciation is provided on a pro-rata basis on the written down value method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:
 - plant and equipment is depreciated over 5 to 15 years based on the technical evaluation of useful life done by the management.
 - o assets costing Rs 5,000 or less are fully depreciated in the year of purchase

6. Impairment of Assets

The carrying amount of cash generating units/assets is reviewed at the Balance Sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount is estimated as the net selling price or value in use, whichever is higher. Impairment loss, if any, is recognised whenever carrying amount exceeds the recoverable amount. The impairment loss recognised in prior accounting period is reversed

7. Employee Retirement Benefits

i. Short term employee benefits:

THAS

- Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- ii. Post-employment benefits:
 - a. Defined Contribution Plan:

i. Provident Fund

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident fund, in which both the employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to the provident fund set up as irrevocable trust to respective Regional Provident Fund Commissioner. The Company has no further obligations beyond making the contribution, except that any shortfall in the fund assets based on the Government specified minimum rates of return in respect of provident fund set up by the Company, and the Company recognises such contributions and shortfall, if any, as an expense in the year incurred.

ii. Defined Benefit Plan:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment, of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Contributions are not made to any fund for this purpose. The Company accounts for gratuity benefits payable in future on the basis of an actuarial valuation by an independent actuary at the year end, which is calculated using Project Unit Credit Method. Actuarial gains and losses which comprise experience adjustment and the effect of change in

actuarial assumptions are recognised in the Statement of Profit and Loss.

8. <u>Operating Lease</u>

Operating lease payments are recognized as an expense in the Statement of Profit & Loss on a straight-line basis, which is representative of the time pattern of the user's benefit.

9. <u>Income Taxes</u>

Income Tax are accrued in the same period in which related revenue and expenses arise. A provision is made for income tax based on the tax liability computed after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowance or other matters is probable.

The differences that result between the profit considered for income taxes and profit as per the financial statements are identified and thereafter a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on tax effect of the aggregate amount of the timing difference. The tax effect is calculated on the accumulated timing differences at the end of the accounting period based on enacted or substantially enacted regulations. Deferred tax asset in a situation where unabsorbed depreciation and carry forward business loss exists, are recognized only if there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets, other than in situation of unabsorbed depreciation and carry forward business loss are recognized only if there is reasonable certainty that they will be realized. Deferred tax assets are reviewed for their appropriateness of their respective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities have been offset wherever the company has legally enforceable right to set off current tax assets against current tax liabilities and where deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

10. Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events, such as bonus issue, bonus element in a rights issue and additional allotment of shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating Diluted Earnings per share, the net profit or

Wydur

loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares

11. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

Current investments are carried in the financial statements at lower of cost or fair value determined on an individual investment basis. Noncurrent investments are carried at cost and provision for diminution in value is made to recognise a decline other than temporary in the value of the investments. Trade investments are the investments made for or to enhance the Company's business interests.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

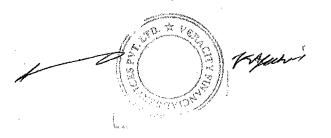

12. Cash and Cash Equivalents

Cash and cash equivalents includes cash in hand, deposits with banks and short term highly liquid investments, which are readily convertible into cash. Further, the balance of funds lying in cash credit account has also been added into the cash and cash equivalents in the cash flow statement.

13. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- a) the Company has a present obligation as a result of a past event;
- b) a probable outflow of resources is expected to settle the obligation and
- c) the amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received. Contingent liability is disclosed in case of

- a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- b) a present obligation arising from past events, when no reliable estimate is possible
- c) a possible obligation arising from past events where the probability of outflow of resources is not remote. Contingent assets are neither recognised, nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.
